

Shrek the Musical Jr. Auditions

(Monday, December 16, and Wednesday, December 18, 2024)

Sign up for a time beginning Monday, December 2. You will be signing up for 20-minute slots in groups of six. If you have more than six people, please sign up for a double slot. Any GA student in grades 4-8 may audition.

It is your responsibility to read all information in the packet and rehearse/learn the parts. All vocal tracks and other audition materials can be found online at www.gamusicboosters.org. This site will be your primary source for information regarding the production.

Do bring your completed information form and your \$90.00 performance fee with you to auditions. You will not be given a role in the show unless a signed form as well as the performance fee are turned in to Mrs. Leach.

Dramatic (Speaking) Auditions:

- Several "Sides" are included in the packet. Everyone must do a dramatic audition. Please review them all and choose the one that best demonstrates your ability in your chosen role. These do not need to be memorized, but please demonstrate advance preparation.
